

SUSTAINABILITY TIPS FOR NEW HIRES

- **Sort your waste** using the [campus multi-stream waste bins](#)
- **Refill your reusable water bottle** at a [nearby hydration station](#)
- **Drop-off used batteries** at any of the campus [battery recycling locations](#)
- **Green your commute** by:
 - Charging your EV vehicle at available [EV chargers](#) in UPC/HSC
 - Taking [public transportation](#) (i.e., Metro, Metrolink, etc.)
 - Finding alternative transportation modes through the [Traveler platform](#)
 - Signing up for the [USC Transit Subsidy Program](#)
- **Visit the Sustainability Hub (STU 101)** or [website](#) to stay connected with the campus sustainability community
- **Check out these additional resources** to learn more:
 - [USC Single-Use Plastic Beverage Bottle Policy](#)
 - [Sustainability Toolkit](#)
 - [FPM / Zero Waste Event Planning Checklist](#)
